## **HEADLINES:**

# **RAM JAM 2010**

## **A huge success!!**

Seventeen bands participated and hundreds of guests cheered them on!

A big thank you to all of the parent volunteers....parking, gate, managing the bands, concessions, and t-shirts sales went very smoothly!

Thank you to those who stayed until midnight cleaning up.  
Thank you, Thank you!

Thanks to the faculty and staff who volunteered to work on a Saturday!  
We could not have done it without your dedication!

Another big thanks to our student volunteers. You each did a wonderful job!  
Remember to give Mrs. Stutsman your stewardship form to receive  
the hours of service you each deserve.

Thank you Marianna and Hank Wright for supporting RAM JAM!

## **\$500 MDCHS TUITION CREDIT!**

MDCHS is happy to announce a new tuition credit program!

Beginning May 1, 2010, MDCHS will provide a \$500.00 tuition credit  
for any family referring a new student who is accepted and enrolls in MDCHS.

**LOVE TREES?:** Mr. McMaken and NHS are looking for a few dedicated students to come over to MDCHS and water newly planted trees this summer. A few trees need to be transplanted as well. The time commitment would be minimal, but would involve a few trips to the school so that we can keep a regular watering schedule and therefore keep our new trees happy and healthy. You must have the ability to drive and carry water. Stewardship hours for 2010-2011 would of course be earned. Contact [rmcmaken@mdchs.org](mailto:rmcmaken@mdchs.org) for details.

Also do you have any old hoses lying around? We need them. If you have any length of watering hose that you want to get rid of, give it to us! NHS needs to water some faraway plants and are about 100 feet short at this moment. Minor leaks are not a problem. If you have one, either dump it outside of McMaken's classroom or email him, and he'll come pick it up. [rmcmaken@mdchs.org](mailto:rmcmaken@mdchs.org) .
